

September 28th - October 13th

Creepy Crawly School Holidays!

Explore the fascinating world of invertebrates
with activities for the whole family these school holidays!

Cleland
Wildlife Park

World of Invertebrates

Explore the world of invertebrates through this fascinating display in the Oceans to Outback Interpretive Centre. There's something new to learn for the whole family!

WHEN: all school holidays

AGE: all ages

COST: free with entry

WHERE: Oceans to Outback Interpretive Centre

BYOB (bring your own bug!)

Have you found a creepy crawly and are dying to know what it is? Bring it in and our bug expert will identify it for you! See our website for tips on how to transport your bug safely.

WHEN: October 1st-4th 9.30-11
October 8th-11th 9.30-11

AGE: all ages

COST: Free with park entry

WHERE: Oceans to Outback Interpretive Centre

Magical Micro World

The SEM (scanning electron microscope) has come to visit these holidays to introduce us to a new tiny world right before your eyes! Meet some tiny creatures up close and personal, and see them bigger than ever before.

WHEN: October 1st-5th 1pm
October 8th-12th 1pm

AGE: all ages

COST: free with entry

WHERE: Oceans to Outback Interpretive Centre

Bug Bog

Roll your sleeves up and get grubby digging for your very own take-home invertebrate toy "specimen" in our special bug bog. Each "specimen" comes with a cool fact sheet.

WHEN: all school holidays

AGE: 1 year+

COST: \$5

WHERE: Gift Shop

Mungo Magpie - Bug Buffet

Join Mungo Magpie from Heaps Good Productions for some fun and songs about the fabulous native magpie, and his delicious buggy friends!
